Name of person or office referring you to our practice: _____

Consent for Services/Office Policy

I hereby consent to services to be performed by Dr. Christopher, Dr. Favagehi and their staff.
I understand Dr. Christopher & Dr. Favagehi are Periodontists (Specialists) and are licensed to practice dentistry in Virginia. Radiographs, photographs and study models maybe produced as a diagnostic aid or document my condition. My privacy will be respected. I understand dental treatment may at times cause adverse effects such as sensitivity, and in rare situations, it may result in damage to teeth/restorations and/or other injury.

I understand that I am fully responsible for payment for services to be rendered at the time the service is initiated, unless agreed otherwise. Any other financial arrangement, such as insurance or 3rd party payer arrangements must be made in advance.
Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, I understand that I am responsible for payments, and I shall not seek services on the assumption that charges will be paid by an insurance company. I understand that insurance companies may or may not reimburse for services provided by Drs. Christopher & Favagehi.

I understand that the fee estimate listed for this dental care can only be extended for a period of three months from the date of the patient examination.
I further agree in the event of non-payment, to bear the cost of collections and/or court cost and reasonable legal fees should be required.

I grant my permission to Drs. Christopher & Favagehi and their staff, to contact me by phone, text message or e-mail if necessary.
I have been informed that this office follows the regulations of the Health Insurance Portability and Accountability Act (HIPAA) of 1996 for the Protection of patient privacy & security of personal information.

APPOINTMENT POLICY: Broken or missed appointments

I understand that a 48- hour notice (2 working days) must be given for the cancellation of any appointment, and failure to do so will result in a "broken appointment" fee charged to my account based on the following fee schedule:
1st missed appointment fee: \$50.00
1st missed surgical appointment fee: \$150.00
2nd missed (broken appointment): \$ 250.00 and it may result in dismissal from the practice as a patient.
I understand that insurance does not cover any of the "broken appointment" fees based on the above fee schedule. I also understand that the broken appointment fee will apply no matter what reason or excuse given by me for the broken appointment.
Late arrivals (over 30minutes) may be charged for broken appointments and/or rescheduled for another day.

I have read the above conditions of treatment and payment and agree to their content.
